TRUE TO THE GAME™

 **SPALDING** TRUE TO THE GAME™

## A STORIED HISTORY

Since 1876, we have been true to the game. We ignite the inner confidence that lives in athletes of all levels, across the globe. Our heritage of quality products is what makes us stand out and you excel.

### 1871 - ALBERT GOODWILL SPALDING

Albert Goodwill Spalding began his professional baseball career pitching for the Boston Red Stockings. He dominated the sport, leading the league in wins every year during his career. He pitched every game with a baseball he developed himself.

### 1876 - THE FIRST BASEBALL

The first A.G. Spalding & Brothers sporting goods store opened in Chicago in 1876. That same year, Spalding developed the first Major League Baseball to become the Official Baseball of the National League (1876-1976) and American League (1889-1973).

### 1877 - THE FIRST BASEBALL GLOVE

Spalding created the world's first baseball glove, marking the transition from bare hands to protective wear. A.G. Spalding's reputation in the baseball industry made the once unthinkable "sissy" glove become OK to wear.

### 1895 - THE FIRST VOLLEYBALL

Spalding developed and manufactured the first American volleyball.

### 1900 - A HOME RUN

Following success in Baseballs, Spalding became the largest manufacturer of Baseball bats in the U.S, producing over 1 million bats a year.

### 1930 - GOLF INNOVATIONS

Spalding developed the first liquid centre golf ball, the Kros-Flite. This new construction was a major technological advancement in golf balls.

### 1997 - OFFICIAL WNBA GAME BALL

Spalding became Official Basketball of the WNBA across the US and remains the game ball to this day.

### 2001 - SELF-INFLATING BASKETBALL

After 20 months of testing, Spalding introduces first basketball featuring a built-in Micro Pump.

### 2006 - NEVERFLAT IS UNVEILED

The Spalding NEVERFLAT® basketball is developed with Pressure Retention Technologies guaranteed to stay fully inflated for at least one year.

### 2012 - EUROLEAGUE

Spalding's global presence continues to expand becoming Official basketball & backboard of the Euroleague across Europe

### 2018 - BASKETBALL NSW

Enhancing Spalding's presence in Australia, the brand became Official Game Ball and backboard for Basketball NSW, with the Waratah League becoming a feature of the new range and pinnacle product.

and enable them to play their best game. We protect the integrity of sport because of our passion for the will behind the work. To this day, Spalding remains a true pioneer of the global sports industry. **#TRUEBELIEVERS**

### 1882 – A.G SPALDING RETIRES

A.G Spalding retired as a player, yet continued his dominance in the sport off-field, becoming the president of the Chicago White Stockings. Like a true pioneer, he started a world baseball tour traveling with the best baseball players around the world to simultaneously promote baseball and his sporting goods company on a global scale.

### 1887 – THE FIRST FOOTBALL

Spalding's innovations continued as the first American football is created.

### 1894 – THE FIRST BASKETBALL

Dr. James Naismith, the creator of basketball, asked A.G. Spalding to develop the world's first basketball. The official rules of the game later read, "The ball made by A.G. Spalding & Bros. shall be the official ball. And so our legacy in basketball began.

### 1968 – A HOLE IN ONE

Spalding continued to innovate in golf and developed the first 2-piece performance golf ball; the Spalding Executive. It became the most consistent and durable golf ball ever made.

### 1983 – OFFICIAL NBA GAME BALL

Spalding Basketball is selected in 1983 as the Official ball of the National Basketball Association (NBA), a partnership that is enduring into 2019 and beyond.

### 1992 – BASKETBALL ADVANCEMENTS

In 1992, the first composite leather basketball is created, paving the way for an offering of new ranges, products and performance in the sport.

### 2008 – ROOKIE LAUNCHED

In 2008, Spalding launched the first gear specialized just for Youth, introducing Rookie Gear. This range was offered across Basketball, Grid Iron and Soccer.

### 2010 – AUSTRALIA'S GAME BALL

2010 was a landmark year for Spalding in Australia, becoming Basketball Australia's Official Game Ball. This was supported by Official NBL Game Ball status. The partnerships integrated many state associations also; Official Game Ball of Basketball South Australia, Basketball Queensland, Basketball Western Australia, Basketball Northern Territory and Basketball ACT.

### 2019 – VICTORIA'S GAME BALL

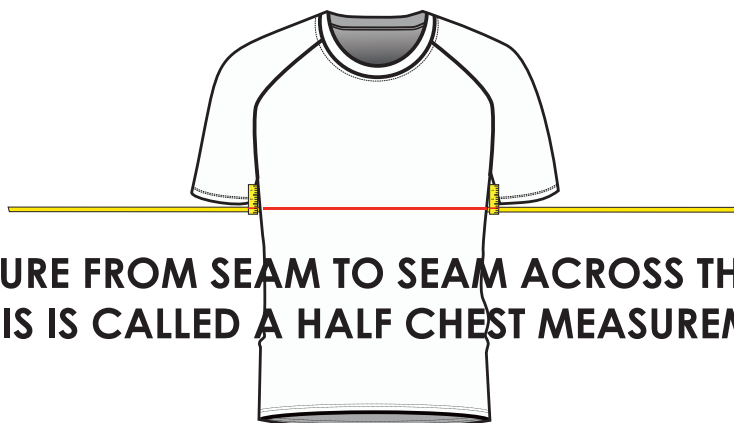

2019 sees Spalding become Basketball Victoria's Official Game Ball including all Basketball Victoria programs, competitions and events, as well as having specially designed Official Game Balls for all Basketball Victoria representative leagues including the Melbourne United Victorian Junior Basketball League (MUVJBL) and Big V.

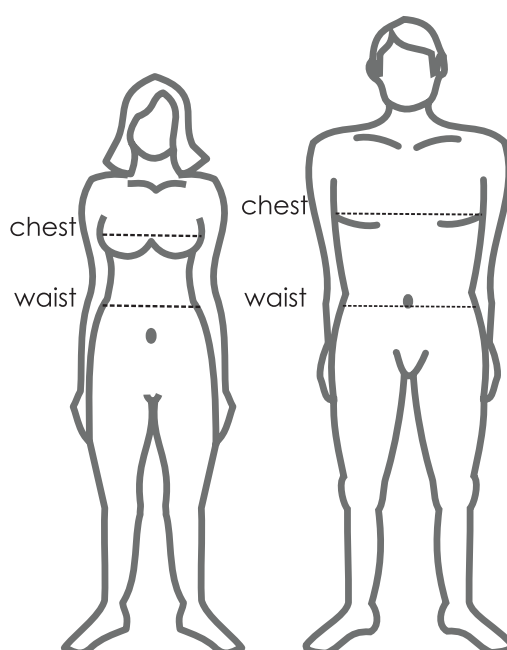

## HOW TO SIZE YOURSELF

CHOOSE A COMFORTABLE FITTING TEE OR POLO

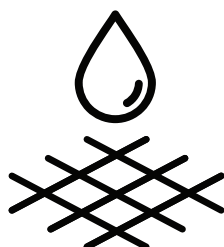

**MEASURE FROM SEAM TO SEAM ACROSS THE CHEST  
THIS IS CALLED A HALF CHEST MEASUREMENT**

All measurements have a 1cm +/- variation

### DriNet

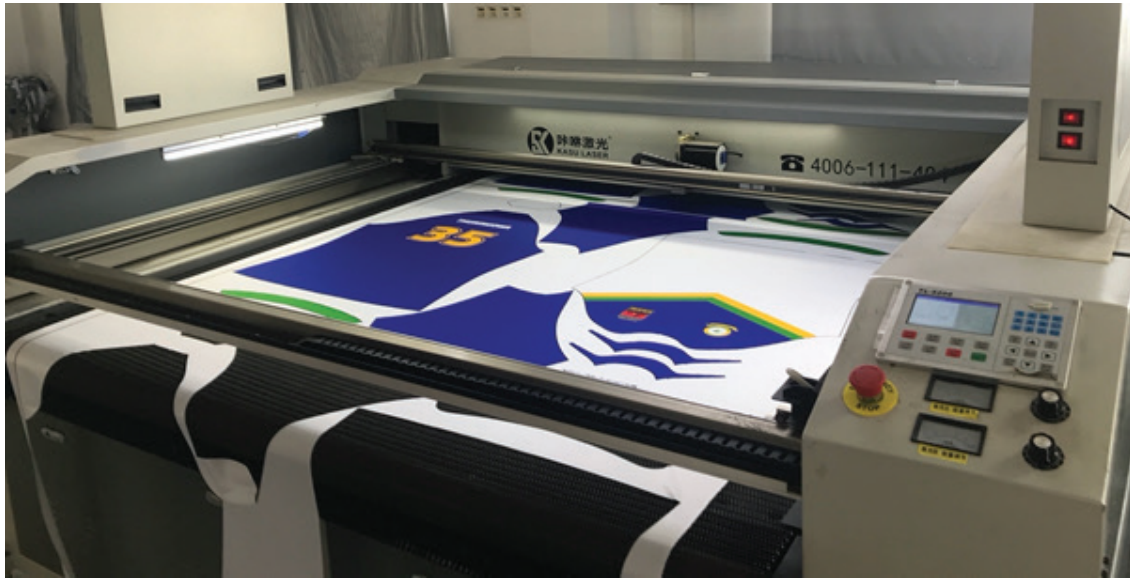

All fabrics have Spalding's unique DriNet treatment applied, providing the highest level of moisture wicking, anti-bacterial and anti-odour protection available. Our fabrics have been thoroughly tested to withstand the demands of the sport, maintaining high performance standards on and off the court. We're in the game with you, providing the tools for you to look, feel and perform your best.

## Production

The Spalding range is produced through a factory network incorporating both Australian and off-shore production. Our factory network allows us to cover any production delays that may be encountered in one location and deliver the highest quality products at extremely competitive pricing for a global brand. Our network also enable us to deliver our “ON TIME OR IT’S FREE” guarantee, ensuring your delivery nightmares are a thing of the past.

## POLO SHIRT

CODE - TWA1001 Y/M/W

FABRIC - 140GSM PIQUE POLYESTER

The key staple for any club's team wear range, the Spalding custom polo is the perfect "year round" garment. Made from one of highest quality fabrics on the market, this light weight yet refined polo will keep you at the top of your game before, during and after the game.

Full sublimated to your club's colour and design requirements with DriNet moisture treatment in Youth, Men's and Women's styles.
